

BLS Italian conversation course Programme

Language Italian	Course level A1
Number of Sessions 10	Teacher's Name Maria
Course Book "Facciamo due chiacchiere" Alma Edizioni Materials will be provided: each lesson will be sent to students in pdf format	Prior Knowledge Required Some basic, beginner knowledge would be useful.

Course Aims

- This course aims to develop fluency and confidence, in a comfortable and relaxed online environment. The conversation mode will encourage students' active participation in dialogues, role plays, real life situations...
- Taught in small groups and led by a qualified native speaker, these classes include a wide range of interactive learning techniques, including group online exercises, activities and games that aim to improve the correctness and accuracy of the oral language. These activities aim to strengthen the use of correct grammar rules and lexical forms, without worry and stress.
- Grammar will be integral part of the speaking activities but not covered in much detail or with traditional lengthy explanations, reading and writing will only be used as starting points for conversation.
- To make online lessons fun and interactive, teachers share their screens, presentations, and videos during the lessons.
